## PAT HENRY

By GEORGE FITCH

Pat Henry was a barefoot boy in  
Hanover county, Virginia, who had a  
ready tongue, was suspected of steal-  
ing apples and was nobody a particu-  
lar, not having descended from the  
first or even the fifteenth families of  
Virginia. He was born on May 29th,  
1736, and history would not have had  
any interest whatever in his date if  
Pat had not been such a poor busi-  
nessman.

Pat grew up without being pestered  
by society or annoyed with education  
and at the age of 18 he married and  
opened a store. He did not have to  
go to the bother of closing it. The  
sheriff kindly did it for him. Pat then  
rented a farm and tried to cultivate it.  
His efforts proved so hard on the  
farm that he soon gave it up. Every-  
body said Pat was a good fellow and  
would be fine company in the poor-  
house some day.

When Pat failed on the farm he  
took up the law, in which almost any-  
one could succeed at that time, a law-  
yer's duty being simply to prove that  
he had the right on his side. While  
waiting for clients Pat began to make  
speeches after the custom of lawyers  
and people discovered that he had a  
razor-sharp tongue with a weavy  
double edge like a Crispy bread knife.

Virginia was being very much abus-  
ed by King George of England just  
then and Pat Henry got to making re-  
marks about it in public. Whenever  
he got warmed up a little and began  
to swing his arms and allude to tyr-  
ny and the baseness of being slaves.

respiration, but Henry replied: "Give  
me liberty or give me death," and he  
continued to ask for one or the other  
with such vehemence that the Con-  
gress eventually heated up and boiled  
over on July 4th, 1776.

After this Pat Henry was known  
as Patrick Henry and was elected  
Governor of Virginia four times hand  
running. He died in 1799 full of hon-  
ors. But if he had succeeded in busi-  
ness, he would very likely have lived  
and died a fat conservative in a state  
of continual alarm over the agitations  
of irresponsible reformers. It is  
much easier to shout for reform when  
one is only imperiling someone else's  
money, and we should never cease be-  
ing thankful for the Patrick Henrys,  
Benjamin Franklins and Abraham  
Lincolns who did not have enough  
prosperity to keep them entirely busy  
safeguarding it.

## That Little Hacking Cough

Hard coughs are bad enough, to  
be sure. But it's often the lit-  
tle, hacking, tickling, persistent  
cough that means the most,  
especially when there is a his-  
tory of weak lungs in the family.  
What should be done? Ask your  
doctor. He knows. Ask him  
about the formula on the label  
of every bottle of Ayer's Cherry  
Pectoral. Ask him if this medi-  
cine has his full approval for  
throat and lung troubles. Then  
do as he says.
